1. Contributor owns, and has sufficient rights to contribute, all source code,
    (including xml code) and related materials intended to be compiled,
    interpreted, parsed or integrated with the source code for the Java Model
    Railroad Interface ("JMRI") open source project source product (the
    "Contribution") which the Contributor has ever delivered, and Robert
    Jacobsen has accepted, for incorporation into the technology made available
    under the JMRI open source project.

2. Contributor hereby assigns to Robert Jacobsen joint ownership in all
    worldwide common law and statutory rights associated with the copyrights,
    copyright applications, copyright registration and moral rights in the
    Contribution to the extent allowable under applicable local laws and copyright
    conventions. Contributor agrees that this assignment may be submitted by
    Robert Jacobsen to register a copyright in the Contribution. Contributor
    retains the right to use the Contribution for Contributor's own purposes. This
    Joint Copyright Assignment supersedes and replaces all prior copyright
    assignments made by the Contributor to Robert Jacobsen under the JMRI
    open source project.

3. Contributor is legally entitled to grant the above assignment and agrees not to
    provide any Contribution that violates any law or breaches any contract.
