You've got Oct 27th for the next CMC, which is fine with me. I can't agree to a hearing on "motions to dismiss newly added claims in Amended Complaint" on October 27th since there is no amended complaint at this time.

As for- Meet and confer re initial disclosures and ADR-you have August 22 and I have August 21st in my timeline. I am fine with either day.

As for-Complete Rule 26 disclosures and address topics in Patent Local R. 2.1, you have Sept. 5th, which is fine by me. I have August 25th for completion of initial disclosures, which is 14 days after the initial CMC.

Gentlemen,

We need dates for the items in Docket 41 and the next CMC. I suggested some in my draft a couple weeks ago, but do not have it with me. Please note that the judge appears to be unavailable on Fridays for late October, all of November, and early December.

What works for Mr. Jerger below also works for me. I am in trial in Sept., so I may need some leeway when the dates approach. Thanks, DMZ
